

European Society of Endocrinology

22nd Postgraduate Clinical Course on Endocrinology, Diabetes and Metabolism

22-25 February 2018
Visegrád, Hungary

Early bird
registration until
31st October

**Dear Colleagues and
Friends,**

The European Society of Endocrinology together with the Hungarian Society for Endocrinology and Metabolism has the pleasure of organizing the 22nd Postgraduate Course in Clinical Endocrinology, Diabetes and Metabolism. These meetings have a long tradition of transmitting knowledge in Endocrinology by bringing together young endocrinologists with the best European specialists and teachers of various fields of clinical endocrinology.

The course will take place from 22-25 February 2018 in Thermal Hotel Visegrad**** located in a scenic natural environment. Visegrad, 48 km north of Budapest, is famous for the remains of the Renaissance summer palace of King Matthias Corvinus of Hungary and the medieval citadel.

We look forward to welcoming you in Visegrad in February, 2018.
