ENDOCRINE SOCIETY

European Society of Endocrinology

ise international society of endocrinology

1 - 4 DEC 2018 | INTERNATIONAL CONGRESS OF ENDOCRINOLOGY | ICE 2018 | CAPE TOWN | SOUTH AFRICA

4TH JOINT GLOBAL SYMPOSIUM ON: OBESITY

The fourth in a regular series of collaborative sessions co-sponsored by Endocrine Society (ES), European Society of Endocrinology (ESE) and International Society of Endocrinology (ISE), focusing on major global topics related to the field of endocrinology. In this fascinating final Obesity focused symposium, we will gain further insight from international thought leaders on the latest ins and outs of **Obesity** from across the globe.

Session Chaired by:
Gary Hammer, President-elect, ES
AJ van der Lely, President ESE
Andre Lacroix, ExCo Chair, ISE
