- 09:15 - 09:35** **Anatomy of the pituitary gland**
Patrick François (France)
- 09:35 - 10:00** **Classifications of pituitary neuroendocrine tumours (PitNET)**
Alexandre Vasiljevic (France)
- 10:00-10:30** **Break**
- 10:30-11:00** **The many facets of sellar cysts**
Jean François Bonneville (France/Belgium)
- 11:00 - 11:20** **What can you expect from neurosurgery?**
Michael Buchfelder (Germany)
- 11:20 - 11:30** **Discussion**
- 11:30-12:15** **Case reports (4)**
- 12:15-14:00** **Lunch**

- 14:00-14:25** **Diagnosis and complications of acromegaly**
Peter Kamenicky (France)
- 14:25-14:50** **Acromegaly treatment: goals and strategies**
Christian Strasburger (Germany)
- 14:50 - 15:00** **Discussion**
- 15:00-16:00** **Case reports (5)**
- 16:00-16:30** **Break**
- 16:30-16:50** **The sex of lactotroph tumors**
Etienne Delgrange (Belgium)
- 16:50-17:10** **Pregnancy and pituitary tumors**
Pia Burman (Sweden)
- 17:10-18:15** **Case reports**
- 19:00** **Dinner**

Friday 15 November

- 08:30-08:50** **Difficult diagnosis of Cushing's disease**
Antoine Tabarin (France)
- 08:50-09:10** **Surgical treatment of Cushing's disease**
Emmanuel Jouanneau (France)
- 09:10-09:30** **Pathology of corticotroph tumors**
Chiara Villa (France)
- 09:30-09:50** **Medical treatment of Cushing's disease**
John Newell-Price (UK)
- 09:50-10:00** **Discussion**
- 10:00-10:30** **Break**
- 10:30-10:50** **Thyrotroph tumors**
Mark Gurnell (UK)

- 10:50-11:10** **How to write a manuscript**
Christian Strasburger (Germany)
- 11:10-12:00** **Case reports (5)**
- 12:00-14:00** **Lunch and group photo**
- 14:00-14:30** **Clinical and genetic diagnosis of familial pituitary tumours**
Marta Korbonits (UK)
- 14:30-14:50** **Translational molecular research in PitNET**
Marily Theodoropoulou (Germany)
- 14:50-15:00** **Discussion**
- 15:00-15:20** **Post-traumatic and post-irradiation hypopituitarism**
Vera Popovic (Serbia)
- 15:20-15:45** **Pituitary tumors in the elderly**
Marie-Lisa Jaffrain-Rea (Italy)

- 19:00** **Dinner in Talloires**

Saturday 16 November

- 08:30-09:00** **Diagnosis and management of craniopharyngioma**
Niki Karavitaki (UK)
- 09:00-09:25** **What is new from the Liège register of acromegaly?**
Albert Beckers (Belgium)
- 09:25-10:00** **Case reports (3)**
- 10:00-10:30** **Break**
- 10:30-10:45** **Invasive or non-invasive PitNET?**
Engelbert Knosp (Austria)
- 10:45-11:05** **Malignant or non-malignant PitNET?**
Federico Roncaroli (UK)
- 11:05-11:15** **Discussion**
- 11:15-11:45** **Treatment of aggressive/malignant tumours**
Gerald Raverot (France)
- 11:45- 12:15** **General discussion with debate on PitNET or not PitNET?**
- 12:15-12:30** **Conclusion**
Marta Korbonits (UK)
- 12:30-14:00** **Lunch**
- 14:00-16:00** **Pathology Workshop** (parallel session)
Alexandre Vasiljevic (France), Chiara Villa (France), Federico Roncaroli (UK)
and Jacqueline Trouillas (France)
- 14:00-16:00** **Thinking session** (parallel session)
Albert Beckers (Belgium), Marily Theodoropoulou (Germany)
and Niki Karavitaki (UK)
- 16:00** **Departures**
