Congress Committee

Committee Composition

Chair: A member of the Executive Committee, designated by the Executive Committee.

Full members: 1–2 Executive Committee members, designated by the Executive Committee. Up to 8 members, proposed by the Committee and ratified by the Executive Committee.

Ex-officio members: ESE President. ESE President-Elect. Chief Executive Officer. Director of Strategic Partnerships. Bioscientifica.

Co-opted members: Additional members may be co-opted for a limited period to fulfil a specific role, including representatives of several recent and forthcoming LOCs and/or POCs (Local and/or Programme Organising Committees).

Quorum 5 members.

Duration of Service

Chair: Co-terminous with office.

Full members: 4 years.

Ex-officio members: Co-terminous with office.

Co-opted members: POC Chairs can be invited on the committee from two years previous, as appropriate. LOC Chairs can be invited on the committee from two years previous, as appropriate. Co-opted members do not have voting rights.

Reporting The Committee reports to the ESE Executive Committee through the Congress Committee Chair.

Meetings The Congress Committee will usually meet at least once a year. Other business will usually be conducted by email.

Remit 1. To provide a link between the vision and strategy of the ExCo and the ESE Office and PCO (Professional Congress Organiser).
2. To provide input to the PCO, ESE Office and Executive Committee for the initial critical evaluation of proposals from candidate cities and the selection of 2-3 final challengers for each annual congress.
3. To provide a link to the ESE Team in relation to practical items such as industry time slots, programme and educational concepts etc.
4. To support the Committee Chair through:
   a. To advise the PCO, ESE Office and ESE Executive Committee on policy decisions regarding ECE Congresses.
   b. To assist the PCO and ESE Office in providing guidance for the LOCs of future meetings.
   c. To review the scientific programme, update and final reports of congresses so that the Chair can report on these to the Executive Committee.

Note: The Congress Committee Chair will have overall responsibility for the ECE POC and will supervise the scientific programme. The role of the Congress Committee Chair and the POC is detailed in the POC Guidelines document.

Additional notes

- All Committee members need to be paid up members of the European Society of Endocrinology.
- Committee members should make every effort to attend all meetings. Any Committee member who does not attend a meeting for a year will be asked to step down, other than in exceptional circumstances.
- The Committee will liaise with other ESE Committees as appropriate.
- All papers and minutes must be treated in strictest confidence.
- All Committee members must act in the best interest of the Society.
- Any potential conflicts of interest should be declared at the start of the meeting or as they arise, and the member concerned should take no part in the discussion.
- The Chair should not serve a second consecutive term of office, unless there are exceptional circumstances identified by the Executive Committee.
- Committee membership should represent the key areas of interest; geographical spread; and gender considerations.
