

Thursday 29 October 2020

Day/afternoon arrivals

16:00: Registration open

19:00 - 19:30: Welcome drinks

19:30: Dinner

20:30 - 21:15: Dinner talk: Pituitary disorders in domestic animals
Chair: **Andrea Giustina**, ESE President
Hans Kooistra (Utrecht, Netherlands)

Friday 30 October 2020

08:30 - 08:40: **Welcome and introduction**
Jens Otto L. Jørgensen (Chair of Scientific Programme Committee and ESE Focus Area Lead: Pituitary and Neuroendocrinology)
Pia Burman (Scientific Programme Committee)
Peter Kamenicky (Scientific Programme Committee)
Niki Karavitaki (Scientific Programme Committee)
Sebastian Neggers (Scientific Programme Committee)
Maria Chiara Zatelli (Scientific Programme Committee)

08:40 - 09:00: **Welcome from host country and country perspective**
Misa Pfeifer (Ljubljana, Slovenia)

SESSION 1: Value of OGTT in acromegaly diagnosis and follow up
Chairs: **Pia Burman** (Lund, Sweden) & **TBC**

09:00 - 09:25: Normative data
Katarina Schilbach (Munich, Germany)
09:25 - 09:50: Paradoxical increase / science behind OGTT
Peter Kamenicky (Paris, France)
09:50 - 10:15: Pitfalls in diagnosis of mild Acromegaly
Ariel Barkan (Ann Arbor, USA)

10:15 - 10:45: Coffee break

SESSION 2: Pituitary imaging symposium
Chairs: **Maria Zatelli** (Ferrara, Italy) & **Peter Kamenicky** (Paris, France)

10:45 - 11:10: Neurosurgeon perspective on value of intra-operative imaging
Michael Buchfelder (Erlangen, Germany)
11:10 - 11:35: C13 methionine PET imaging
Mark Gurnell (Cambridge, UK)
11:35 - 12:00: Machine learning in pituitary
TBC

12:00 – 13:00: Lunch

SESSION 3: 13:00 – 14:00: Diagnostic dilemmas in acromegaly – a case base discussion

Chairs/facilitators: Philippe Chanson (Paris, France) & TBC

14:00 – 14:30:

Plenary - Animal model for X-lag

Chair: Ilan Shimon (Petah Tikva, Israel)

Albert Beckers (Leige, Belgium)

14:30 – 15:00:

Plenary - Determinants of morbidity and mortality in Acromegaly

Chair: Niki Karavitaki (Birmingham, UK)

TBC

15:00 – 15:30: Coffee break

SESSION 4: 15:30 – 16:45: Acromegaly management

Chairs: Albert Beckers (Liege, Belgium) & TBC

15:30 – 15:55:

Brief overview and limitations of current surgical approaches

Pietro Mortini (Milan, Italy)

15:55 – 16:20:

Current medical treatments and their limitations (summary of DAs, SSAs, Pegvisomant)

Annamaria Colao (Naples, Italy)

16:20 – 16:45 (20+5):

Drug combinations and alternative treatments

TBC

16:45 – 17:00: Coffee break

SESSION 5: 17:00 – 18:00: Therapeutic dilemmas in acromegaly – a case base discussion

Chairs: Sebastian Neggers (Rotterdam, Netherlands) & Jens Otto L.

Jørgensen (Aarhus, Denmark)

19:00: Offsite dinner

Saturday 31 October 2020

08:50 – 09:00: Welcome to final day

SESSION 6: 09:00 – 09:50: Patient outcomes

Chairs: **Misa Pfeifer** (Ljubljana, Slovenia) & **TBC**

- 09:00 – 09:15: Patient perspective
Sheila Khawaja (Trieste, Italy)
- 09:15 – 09:30: Role of the nurse
Sofia Llahana (London, UK)
- 09:30 – 09:50: Socio-economic impact of acromegaly
Jakob Dal (Aarhus, Denmark)

SESSION 7: 09:50 – 10:40: Industry updates on new concepts in Acromegaly

Chairs: **TBC**

- 09:50 – 10:00: Pfizer
- 10:00 – 10:10: Crinetics
- 10:10 – 10:20: Strongbridge
- 10:20 – 10:30: Recordati
- 10:30 – 10:40: Chiasma

10:40 – 11:10: Coffee break

SESSION 8: 11:10 – 12:00: Headaches in Acromegaly - Endocrinology meets up with Neurology

Chairs: **Michael Buchfelder** (Erlangen, Germany) & **Mark Gurnell** (Cambridge, UK)

- 11:10 – 11:20: Case presentation (from delegates if possible) (to include headaches that are resolved after surgery)
Submitted case from delegates
- 11:20 – 11:30: Case presentation (from delegates if possible) (to include difficult to treat headaches requiring regular octreotide sc)
Submitted case from delegates
- 11:30 – 12:00: Pathophysiology and Management
Miles Levy (Leicester, UK)
- 12:00 – 12:15: Meeting close

12:15: Lunch and departures
