

# eECE 2021

## 23rd European Congress of Endocrinology

# PROGRAMME OVERVIEW

Full programme available at [www.ece2021.org](http://www.ece2021.org). All times shown as Central European Summer Time (CEST)

All information in this scientific programme is correct at the time of going to print 18 December 2020. The congress organisers and ESE reserve the right to amend the times and speakers without notice.

**SATURDAY 22 MAY** All times shown as Central European Summer Time (CEST)

16:00	16:30	17:00	17:30	18:00	18:30	19:00	19:30	20:00	20:30	21:00
WELCOME AND PRESIDENT'S ADDRESS		GEORGE HARRIS AWARD LECTURE	EUROPEAN JOURNAL OF ENDOCRINOLOGY AWARD LECTURE	EUROPEAN HORMONE MEDAL LECTURE	NEW MEMBERS' WELCOME					

**SUNDAY 23 MAY** All times shown as Central European Summer Time (CEST)

07:30	08:00	08:30	09:00	09:30	10:00	10:30	11:00	11:30	12:00	12:30	13:00	13:30	14:00	14:30	15:00	15:30	16:00	16:30	17:00	17:30	18:00	18:30	19:00	19:30	20:00	20:30	21:00
PRACTICAL COURSES			ECAS SESSION: Hormones in European Health Policies: Why it matters to the Endocrinologist									NURSES' SESSION			JENS SANDAHL CHRISTIANSEN AWARD		YOUNG INVESTIGATOR AWARDS			ESE QUIZ							
EYES SESSION												VISIT THE EXHIBITION & EPOSTER VIEWING															

**MONDAY 24 MAY** All times shown as Central European Summer Time (CEST)

07:30	08:00	08:30	09:00	09:30	10:00	10:30	11:00	11:30	12:00	12:30	13:00	13:30	14:00	14:30	15:00	15:30	16:00	16:30	17:00	17:30	18:00	18:30	19:00	19:30	20:00	20:30	21:00														
e-ECE HUB SESSIONS			ESE PRESIDENT'S ADDRESS		PLENARY 1: The hard road to new therapies against diabetes and obesity		SYMPOSIUM 1: The new technology in the clinical management of thyroid nodules		SYMPOSIUM 2: Adrenal incidentalomas		SYMPOSIUM 3: Expanding the benefits of GLP-1R agonists		SYMPOSIUM 4: Peripheral neuroendocrinology		SYMPOSIUM 5: Human foetal exposure to environmental endocrine disruptors		SYMPOSIUM 6: Late Breaking Abstracts		SYMPOSIUM 7: Inheritable Metabolism		SYMPOSIUM 8: Lessons from MDT in MEN1 patients		SYMPOSIUM 9: Large ambitious and inspiring European prevention programs		SYMPOSIUM 10: New approaches in pituitary pathologies from a multidisciplinary team		INDUSTRY SATELLITE SYMPOSIUM		INDUSTRY SATELLITE SYMPOSIUM		INDUSTRY SATELLITE SYMPOSIUM		PLENARY 2: Light, body clocks and sleep: Biology to New Therapeutics		PLENARY 3: 1 year in Pituitary						
NSA 1: 3D Adrenal models for the study of adrenal tumors		NSA 2: Regeneration or replacement of beta cells		MTE Basic Scientist 1: Histopathology of human obese adipose organ: new insights		MTE Basic Scientist 2: When and how to employ molecular genetic testing in thyroid pathology?		MTE 1: New therapies in the treatment of thyroid ophthalmopathy		MTE 2: Non-contraceptive therapeutic use of combined oral contraceptives in PCOS		MTE 3: Long-term effects of testosterone replacement therapy		MTE 4: What one should know on PRRT-lessons from clinical practice		MTE 5: Craniopharyngioma management		ORAL COMMUNICATIONS 1		ePoster Presentations		ORAL COMMUNICATIONS 2		ePoster Presentations		ORAL COMMUNICATIONS 3		ePoster Presentations		ORAL COMMUNICATIONS 4		ePoster Presentations		ORAL COMMUNICATIONS 5		ePoster Presentations		Coffee Shop: Meet the Faculty			
DEBATE 1: Should the biochemical spectrum primary aldosteronism be expanded?																		DEBATE 2: CGM for all people with diabetes?										VISIT THE EXHIBITION & EPOSTER VIEWING													

**TUESDAY 25 MAY** All times shown as Central European Summer Time (CEST)

07:30	08:00	08:30	09:00	09:30	10:00	10:30	11:00	11:30	12:00	12:30	13:00	13:30	14:00	14:30	15:00	15:30	16:00	16:30	17:00	17:30	18:00	18:30	19:00	19:30	20:00	20:30	21:00														
e-ECE HUB SESSIONS			CLINICAL ENDOCRINOLOGY TRUST LECTURE		PLENARY 4: Neuroendocrine stress response at single cell resolution		SYMPOSIUM 11: Thyroid hormones, regulation of metabolism and energy balance		SYMPOSIUM 12: What's new in cardiovascular protection and function		SYMPOSIUM 13: TGF-β signalling in ovaries in women with PCOS		SYMPOSIUM 14: Complex clinical cases		GUIDELINES SESSION		SYMPOSIUM 15: Nutrition intervention: Not just to lose weight		SYMPOSIUM 16: Splicing in endocrine-related cancers		SYMPOSIUM 17: New advances in the managements of hypophosphatemia		SYMPOSIUM 18: The future of endocrinology Artificial Intelligence (AI) and big data		SYMPOSIUM 19: ESPE/ESE Joint session		INDUSTRY SATELLITE SYMPOSIUM		INDUSTRY SATELLITE SYMPOSIUM		INDUSTRY SATELLITE SYMPOSIUM		JOINT SESSIONS								
NSA 3: Cutting-edge scientific advances		NSA 4: Multiplex analysis platform for endocrine disruption prediction using Zebrafish		MTE Basic Scientist 3: Interference of EDC with Thyroid Hormone binding and transport impacts on neural Stem Cell fate: from Development to Ageing		MTE 6: Difficult Phaeochromocytoma cases		MTE 7: Do you know how to define sarcopenic obesity?		MTE 8: GH Replacement in adults		MTE 9: Sequential osteoporosis treatments		MTE 10: Outlook for male fertility preservation		ORAL COMMUNICATIONS 6		ePoster Presentations		ORAL COMMUNICATIONS 7		ePoster Presentations		ORAL COMMUNICATIONS 8		ePoster Presentations		ORAL COMMUNICATIONS 9		ePoster Presentations		ORAL COMMUNICATIONS 10		ePoster Presentations		Coffee Shop: Meet the Faculty					
DEBATE 3: Selenium for autoimmune thyroid disorders: necessary or unnecessary?																		Debate 4: Endocrine disruptors harmonisation in EU: The new EU Chemicals Strategy will speed up efficient reduction of EDC exposure for EU citizens!										VISIT THE EXHIBITION & EPOSTER VIEWING													

**WEDNESDAY 26 MAY** All times shown as Central European Summer Time (CEST)

07:30	08:00	08:30	09:00	09:30	10:00	10:30	11:00	11:30	12:00	12:30	13:00	13:30	14:00	14:30	15:00	15:30	16:00	16:30	17:00	17:30	18:00	18:30	19:00	19:30	20:00	20:30	21:00																								
e-ECE HUB SESSIONS			PLENARY 5: 1 year in Bone		SYMPOSIUM 20: Endo-ERN/ESE joint session: Rare endocrine disorders. Improving diagnosis, management and awareness by strengthening patients and physician collaboration		SYMPOSIUM 21: Emerging concerns in reproduction		SYMPOSIUM 22: Diabetes and bone		SYMPOSIUM 23: Hot topics in Neuroendocrine tumours		SYMPOSIUM 24		SYMPOSIUM 25: From adrenal stem cells to ACC		SYMPOSIUM 26: Novel targets in diabetes		SYMPOSIUM 27: Clinical Guidelines of the European Academy of Andrology on male specific endocrine conditions		SYMPOSIUM 28: Intermediate thyroid cancer soft or aggressive approach		SYMPOSIUM 29: Parathyroid disorders		INDUSTRY SATELLITE SYMPOSIUM		INDUSTRY SATELLITE SYMPOSIUM		INDUSTRY SATELLITE SYMPOSIUM		PLENARY 6: New advances in novel targets for thyroid cancer and thyroid cancer theragnostics		PLENARY 7: Central and Eastern European heritage in genetics of hypopituitarism - how the prevalent ancestral PROP 1 gene variants spread overseas		CLOSING CEREMONY																
NSA 5: Whole Genome Sequencing in Cancer Care. Lessons from the 100,000 Genomes Project and Opportunities for NEN		NSA 6: Advocacy in Brussels		MTE Basic Scientist 4: GWAS and mendelian randomisation studies in osteoporosis diagnosis		MTE 11: Cardiovascular risk reduction in endocrine patients		MTE 12: Pituitary surgery bites		MTE 13: Marrow adiposity and bone		MTE 14: For the use of AMH as a diagnostic tool in female reproduction		MTE 15: Challenges in genetic counseling for hereditary endocrine neoplasia syndromes		ORAL COMMUNICATIONS 11		ePoster Presentations		ORAL COMMUNICATIONS 12		ePoster Presentations		ORAL COMMUNICATIONS 13		ePoster Presentations		ORAL COMMUNICATIONS 14		ePoster Presentations		ORAL COMMUNICATIONS 15		ePoster Presentations		Coffee Shop: Meet the Faculty															
DEBATE 5: Long term antiresorptive treatment																		ESE AGM										DEBATE 6										VISIT THE EXHIBITION & EPOSTER VIEWING
