eECE 2021 PROGRAMME OVERVIEW

23rd European Congress of Endocrinology

Full programme available at www.ece2021.org. All times shown as Central European Summer Time (CEST)

All information in this scientific programme is correct as of 1 April 2021. The congress organisers and ESE reserve the right to amend the times and speakers without notice.

SATURDAY 22 MAY

All times shown as Central European Summer Time (CEST)

- **WELCOME AND PRESIDENT'S ADDRESS**
- **GEOFFREY HARRIS AWARD LECTURES**
- **EUROPEAN JOURNAL OF ENDOCRINOLOGY AWARD LECTURE**
- **EUROPEAN HORMONE MEDAL LECTURE**
- **NEW MEMBERS' WELCOME (Invite Only)**

SUNDAY 23 MAY

All times shown as Central European Summer Time (CEST)

CHANNEL 1

- **THE PATIENT'S VOICE 1:** ADSHG, AlexTLC, CAH Support Group & The Pituitary Foundation
- **THE PATIENT'S VOICE 3:** Thyroid Federation International & BTF Thyroid
- **THE PATIENT'S VOICE 5:** AMEND
- **THE PATIENT'S VOICE 7:** Parathyroid UK
- **ECAS SESSION:** Hormones in European Health Policies: From improved care of endocrine patients to better life conditions for all European citizens
- **NURSES' SESSION:** Transgender care in the 21st Century
- **JENS SANDAHL CHRISTIANSEN AWARD**
- **YOUNG INVESTIGATOR AWARDS**
- **QUIZ AND SOCIAL EVENT** Bring your own drinks and snacks!

CHANNEL 2

- **EYES SPEED NETWORKING BREAKFAST**
- **THE PATIENT'S VOICE 2:** XLH Alliance
- **THE PATIENT'S VOICE 4:** WAPO
- **THE PATIENT'S VOICE 6:** IPWSO
- **THE PATIENT'S VOICE 8:** AdrenalNET
- **EYES SYMPOSIUM:** Bittersweet Sixteen

VISIT THE EXHIBITION & EPOSTER VIEWING

MONDAY 24 MAY

All times shown as Central European Summer Time (CEST)

CHANNEL 1

- 06:30-07:00 **e-ECE YOGA:** Rise and Re-Energise
- **e-ECE HUB SESSION**
- **e-ECE HUB SESSION**
- **INTERVIEW WITH ESE PRESIDENT AND PRESIDENT-ELECT**
- **PLENARY 1:** The hard road to new therapies against diabetes and obesity
- **SYMPOSIUM 1:** The new technology in the clinical management of thyroid nodules
- **MTE Basic Scientist 1:** Histopathology of human obese adipose organ: new insights
- **MTE Basic Scientist 2:** When and how to employ molecular genetic testing in thyroid pathology?
- **ePoster Presentations 1:** Adrenal and Cardiovascular Endocrinology
- **ORAL COMMUNICATIONS 1** Adrenal and Cardiovascular Endocrinology
- **SYMPOSIUM 6:** Covid-19: The sequelae of the virus
- **DAILY SPOTLIGHT:** Selected content across the Focus Areas
- **INDUSTRY SATELLITE SYMPOSIUM**
- **PLENARY 2:** Light, body clocks and sleep: Biology to new therapeutics
- **PLENARY 3:** 1 year in Pituitary

CHANNEL 2

- **e-ECE HUB SESSION**
- **e-ECE HUB SESSION**
- **SYMPOSIUM 2:** Adrenal incidentalomas
- **MTE 1:** New therapies in the treatment of thyroid ophthalmopathy
- **MTE Extended Networking Session 1**
- **ePoster Presentations 2:** Diabetes, Obesity, Metabolism and Nutrition
- **ORAL COMMUNICATIONS 2** Diabetes, Obesity, Metabolism and Nutrition
- **SYMPOSIUM 7:** Inheritable Metabolism
- **INDUSTRY SATELLITE SYMPOSIUM**

CHANNEL 3

- **e-ECE HUB SESSION**
- **e-ECE HUB SESSION**
- **SYMPOSIUM 3:** Expanding the benefits of GLP-1R agonists
- **MTE 2:** Non-contraceptive therapeutic use of combined oral contraceptives in PCOS
- **MTE Extended Networking Session 2**
- **ePoster Presentations 3:** Pituitary and Neuroendocrinology
- **ORAL COMMUNICATIONS 3** Pituitary and Neuroendocrinology
- **SYMPOSIUM 8:** Lessons from MDT in MEN1 patients
- **INDUSTRY SATELLITE SYMPOSIUM**

CHANNEL 4

- **e-ECE HUB SESSION**
- **e-ECE HUB SESSION**
- **SYMPOSIUM 4:** Peripheral neuroendocrinology
- **MTE 3:** Long-term effects of testosterone replacement therapy
- **MTE Extended Networking Session 3**
- **ePoster Presentations 4:** Reproductive and Developmental Endocrinology
- **ORAL COMMUNICATIONS 4** Reproductive and Developmental Endocrinology
- **SYMPOSIUM 9:** Large ambitious and inspiring European prevention programs

CHANNEL 5

- **NSA 1:** 3D Adrenal models for the study of adrenal tumors
- **SYMPOSIUM 5:** Human foetal exposure to environmental endocrine disruptors
- **MTE 4:** What one should know on PRRT-lessons from clinical practice
- **MTE Extended Networking Session 4**
- **ePoster Presentations 5:** Thyroid
- **ORAL COMMUNICATIONS 5** Thyroid
- **SYMPOSIUM 10:** New approaches in pituitary pathologies from a multidisciplinary team

CHANNEL 6

- **NSA 2:** Regeneration or replacement of beta cells
- **DEBATE 1:** Should the biochemical spectrum primary aldosteronism be expanded?
- **MTE 5:** Craniopharyngeoma management
- **MTE Extended Networking Session 5**
- **NURSES' SESSION**
- **DEBATE 2:** CGM for all people with diabetes?

VISIT THE EXHIBITION & EPOSTER VIEWING

TUESDAY 25 MAY

All times shown as Central European Summer Time (CEST)

CHANNEL 1

- 06:30-07:00 **e-ECE YOGA:** Rise and Re-Energise
- **e-ECE HUB SESSION**
- **e-ECE HUB SESSION**
- **CLINICAL ENDOCRINOLOGY TRUST LECTURE**
- **PLENARY 4:** Neuroendocrine stress response at single cell resolution
- **SYMPOSIUM 11:** Thyroid hormones, regulation of metabolism and energy balance
- **MTE Basic Scientist 3:** Interference of EDC with Thyroid Hormone binding and transport impacts on neural Stem Cell Fate: From Development to Ageing
- **MTE Basic Scientist 3 Extended Networking Session**
- **ePoster Presentations 6:** Calcium and Bone
- **ORAL COMMUNICATIONS 6:** Calcium and Bone
- **SYMPOSIUM 15:** Nutrition intervention: not just to lose weight
- **DAILY SPOTLIGHT:** Selected content across the Focus Areas
- **INDUSTRY SATELLITE SYMPOSIUM**
- **JOINT SESSION 3:** ESE/Endocrine Society joint session: Emerging endocrine abnormalities and Covid-19 outcomes

CHANNEL 2

- **e-ECE HUB SESSION**
- **e-ECE HUB SESSION**
- **SYMPOSIUM 12:** What's new in cardiovascular protection and function
- **MTE 6:** Difficult Phaeochromocytoma cases
- **MTE Extended Networking Session 6**
- **ePoster Presentations 7:** Diabetes, Obesity, Metabolism and Nutrition
- **ORAL COMMUNICATIONS 7:** Diabetes, Obesity, Metabolism and Nutrition
- **SYMPOSIUM 16:** Splicing in endocrine-related cancers
- **INDUSTRY SATELLITE SYMPOSIUM**
- **JOINT SESSION 4:** ESE/SBEM, FASEN and SMNE joint session: Pituitary conditions and Covid-19

CHANNEL 3

- **e-ECE HUB SESSION**
- **e-ECE HUB SESSION**
- **SYMPOSIUM 13:** TGF-β signalling in ovaries in women with PCOS
- **MTE 7:** Do you know how to define sarcopenic obesity?
- **MTE Extended Networking Session 7**
- **ePoster Presentations 8:** Pituitary and Neuroendocrinology
- **ORAL COMMUNICATIONS 8:** Pituitary and Neuroendocrinology
- **SYMPOSIUM 17:** New advances in the managements of hypophosphatemia
- **INDUSTRY SATELLITE SYMPOSIUM**

CHANNEL 4

- **e-ECE HUB SESSION**
- **e-ECE HUB SESSION**
- **SYMPOSIUM 14:** Complex clinical cases
- **MTE 8:** GH Replacement in adults
- **MTE Extended Networking Session 7**
- **ePoster Presentations 9:** Endo-related Cancer
- **ORAL COMMUNICATIONS 9:** Endo-related Cancer
- **SYMPOSIUM 18:** The future of endocrinology Artificial Intelligence (AI) and big data!

CHANNEL 5

- **NSA 3:** Cutting-edge scientific advances
- **GUIDELINES SESSION:** Endocrine side-effects of checkpoint inhibitors
- **MTE 9:** Sequential osteoporosis treatments
- **MTE Extended Networking Session 9**
- **ePoster Presentations 10:** Thyroid
- **ORAL COMMUNICATIONS 10:** Thyroid
- **JOINT SESSION 2:** ESE/ESPE joint session: Transition: A step into the unknown

CHANNEL 6

- **NSA 4:** Multiplex analysis platform for endocrine disruption prediction using Zebrafish
- **DEBATE 3:** Selenium for autoimmune thyroid disorders: necessary or unnecessary?
- **MTE 10:** Outlook for male fertility preservation
- **MTE Extended Networking Session 10**
- **JOINT SESSION 1:** ESE/EASD joint session: Diabetes and growth hormone
- **DEBATE 4:** Endocrine disruptors harmonisation in EU: The new EU Chemicals Strategy will speed up efficient reduction of EDC exposure for EU citizens!

VISIT THE EXHIBITION & EPOSTER VIEWING

WEDNESDAY 26 MAY

All times shown as Central European Summer Time (CEST)

CHANNEL 1

- 06:30-07:00 **e-ECE YOGA:** Rise and Re-Energise
- **e-ECE HUB SESSION**
- **e-ECE HUB SESSION**
- **PLENARY 5:** 1 year in Bone
- **JOINT SESSION 6:** ESE/Endo-ERN joint session: Rare endocrine disorders. Improving diagnosis, management and awareness by strengthening patients and physician collaboration
- **MTE Basic Scientist 4:** GWAS and mendelian randomisation studies in osteoporosis diagnosis
- **MTE Basic Scientist 4 Extended Networking Session**
- **ePoster Presentations 11:** Adrenal and Cardiovascular
- **ORAL COMMUNICATIONS 11** Adrenal and Cardiovascular
- **SYMPOSIUM 22:** From adrenal stem cells to ACC
- **DAILY SPOTLIGHT:** Selected content across the Focus Areas
- **INDUSTRY SATELLITE SYMPOSIUM**
- **PLENARY 6:** New advances in novel targets for thyroid cancer and thyroid cancer theragnostics
- **PLENARY 7:** Central and Eastern European heritage in genetics of hypopituitarism - how the prevalent ancestral PROP 1 gene variants spread overseas
- **CLOSING CEREMONY AND POSTER AWARDS**

CHANNEL 2

- **e-ECE HUB SESSION**
- **e-ECE HUB SESSION**
- **SYMPOSIUM 19:** Emerging concerns in reproduction
- **MTE 11:** Cardiovascular risk reduction in endocrine patients
- **MTE Extended Networking Session 11**
- **ePoster Presentations 12:** Diabetes, Obesity, Metabolism and Nutrition
- **ORAL COMMUNICATIONS 12** Diabetes, Obesity, Metabolism and Nutrition
- **SYMPOSIUM 23:** Novel targets in diabesity
- **INDUSTRY SATELLITE SYMPOSIUM**

CHANNEL 3

- **e-ECE HUB SESSION**
- **e-ECE HUB SESSION**
- **SYMPOSIUM 20:** Diabetes and bone
- **MTE 12:** Pituitary surgery bites
- **MTE Extended Networking Session 12**
- **ePoster Presentations 13:** Pituitary and Neuroendocrinology
- **ORAL COMMUNICATIONS 13** Pituitary and Neuroendocrinology
- **JOINT SESSION 8:** ESE/Clinical Guidelines of the European Academy of Andrology on male specific endocrine conditions
- **INDUSTRY SATELLITE SYMPOSIUM**

CHANNEL 4

- **e-ECE HUB SESSION**
- **e-ECE HUB SESSION**
- **SYMPOSIUM 21:** Hot topics in Neuroendocrine tumours
- **MTE 13:** Marrow adiposity and bone
- **MTE Extended Networking Session 13**
- **ePoster Presentations 14:** COVID-19
- **ORAL COMMUNICATIONS 14** Across Endocrinology
- **SYMPOSIUM 24:** Intermediate thyroid cancer soft or aggressive approach

CHANNEL 5

- **NSA 5:** Whole Genome Sequencing in Cancer Care, Lessons from the 100,000 Genomes Project and Opportunities for NEN
- **JOINT SESSION 7:** ESE/EASD joint session: Endocrine lab Findings in people with obesity and their therapeutic consequences
- **MTE 14:** For the use of AMH as a diagnostic tool in female reproduction
- **MTE Extended Networking Session 14**
- **ePoster Presentations 15:** Late Breaking
- **ORAL COMMUNICATIONS 15** Late Breaking
- **SYMPOSIUM 25:** Parathyroid disorders

CHANNEL 6

- **JOINT SESSION 5:** ESE/KES joint session: COVID-19 and endocrine disorder
- **DEBATE 5:** Treatment breaks should be mandatory in the majority of people taking oral bisphosphonates
- **MTE 15:** Challenges in genetic counseling for hereditary endocrine neoplasia syndromes
- **MTE Extended Networking Session 15**
- **UEMS SESSION**
- **ESE AGM**
- **DEBATE 6:** What levels of proclaim to aim for... The lower the better?
