

DAY CASE ENDOCRINE SURGERY

Virtual CPD Conference
Tuesday 26th March 2024

Held in Partnership with the
British Association of Day Surgery

H HEALTHCARE
CONFERENCES UK

Currently there is significant national variation in day-case endocrine surgery performance. Why, if some procedures are being undertaken as a day case, safely with good outcomes and patient experience, is this not being reproduced throughout the country?

Book

This conference will provide an opportunity to share learning about successful day case endocrine surgery and showcase what can be achieved, including key aspects of the day surgery pathway, current guidance and using data in its successful delivery. **Join us to learn how this is achievable for our patients.**

Attending this conference will enable you to:

- Network with colleagues who are working to **improve day surgery** endocrine surgery delivery
- Reflect on **national developments**
- Ensure you are up to date with the latest **national practice**
- Learn from **outstanding practice** in day case endocrine surgery
- Understand how you can improve your day **surgery pathways**
- Identify **key strategies** for implementation of day case endocrine surgery
- **Self-assess** and reflect on your own practice
- **Supports CPD** professional development and acts as revalidation evidence, subject to peer group approval for revalidation purposes

Speakers Include:

- **CHAIR: Mr Gabriele Galata** *Consultant in Endocrine and General Surgery King's College Hospital*
- **Prof. Klaus-Martin Schulte** *Chair of Surgery Australian National University, Canberra*
- **Ms Karen Harries** *Day Surgery Nursing Lead King's College Hospital NHS Foundation Trust Council member BADS*
- **Mr Ioannis Christakis** *Consultant Endocrine and General Surgeon Nottingham University Hospital NHS Trust*
- **Mr Johnathan Hubbard** *Consultant Endocrine and General Surgeon Guy's and St Thomas' Hospital NHS Trust*
- **Mr Tarek Abdel-Aziz** *Consultant Endocrine and General Surgeon University College London Hospital NHS Foundation Trust*

- **Mr Ammar Al-Lawati** *SCF in Endocrine and General Surgery* King's College Hospital NHS Foundation Trust
- **Dr Fraser Dunsire** *Anaesthetic Consultant* King's College Hospital NHS Foundation Trust
