

PERSONAL INFORMATION **Giovanna Muscogiuri**

University Federico II - Department of Clinical and Medicine -Endocrinology Unit
Address via Carpineto, 2 - 84081 Baronissi (SA)
Email Address: giovanna.muscogiuri@unina.it Tel: 00393281542270
Sex: F Date of birth: 14/12/1981 Nationality: Italian

CURRENT POSITION Assistant Professor

ADDITIONAL RELEVANT POSITIONS Staff Member of *The UNESCO Chair on "Health Education an Sustainable Development"*

RESEARCH FIELD (MAX 1000 characters space included) My team and I have investigated the effect of different nutritional patterns (Mediterranean Diet and Very Low Calorie ketogenic Diet) on obesity and obesity-related cardiometabolic diseases. These results have been achieved through cross-sectional studies and through the design and application of human intervention studies.

WORK EXPERIENCE

May 2020-today **Assistant Professor in Endocrinology**
University Federico II of Naples

October 2013- December 2019 **Research Fellow**
University Federico II of Naples

August 2007- August 2008 **Research Fellow**
Diabetes Division - University of Texas Health Science Center at San Antonio, USA

EDUCATION AND TRAINING

October 2012 - March 2016 **Phd in experimental endocrine and endocrine-surgical sciences**
Catholic University of Rome

July 2007 - July 2012 **Endocrinology and Metabolism Residency**
Catholic University of Rome

October 2000 - July 2006 **Degree in Medicine and Surgery**
Catholic University of Rome

PERSONAL SKILLS

Mother tongue italian

Other languages English (Level C1, speaking and writing)
