

The 11th Seoul International Congress of Endocrinology and Metabolism in conjunction with the 42nd Annual Scientific Meeting of the Korean Endocrine Society (SICEM 2023)

Thursday, 26th – Saturday, 28th Oct 2023

The 11th Seoul International Congress of Endocrinology and Metabolism in conjunction with the 42nd Annual Scientific Meeting of the Korean Endocrine Society will take place face-to-face (Seoul, South Korea) on 26-28 October 2023.

Abstract submission Deadline: Saturday, 1 July, 2023.

Early-bird registration Deadline: Saturday, 29 July, 2023.

Pre-registration Deadline: Thursday, 24 August, 2023.

The SICEM provides a platform for education of endocrinologists, trainees, medical students, and members of treatment teams from across the globe. The hallmarks of the meeting are a broad range of outstanding hands-on learning opportunities and discussion on the most recent developments in research, along with unparalleled access to peers, mentors, and expertise from all parts of the world, which is a 'must-attend' endocrine conference in Asia.
