THANK YOU!
ESE would like to thank our ECE sponsors for their generosity:

GOLD SPONSOR

ascendis pharma

SILVER SPONSORS

AMGEN
 AMRYT PHARMA
 Chiesi
 HRA Pharma

BRONZE SPONSORS

camurus
 Diurnal
 Neurocrine Biosciences
 Pfizer
 UNI-PHARMA

SUPPORTERS

Amolyt Pharma
 AndroLabs
 Crinetics Pharmaceuticals
 Ipsen
 Kyowa Kirin
 Rhythm Pharmaceuticals
 SERB Pharmaceuticals
 Soleno Therapeutics

Additional Information
If you have any further queries that haven’t been answered on this guide please scan the qr code to visit the FAQ page on the website that has plenty more informative information.

WiFi Network
Wifi Network Name: ECE2024
Password: !ECE2024!

Transport Links
Stockholm boasts a highly efficient public transportation system, making navigating the city straightforward and environmentally friendly. The expansive network includes buses, trams, and the metro (Tunnelbana or T-bana), linking most areas and sights seamlessly. Scan for more information.

ESE’s Green Commitment
We recognise the growing impact our activities and events have on the environment and our responsibility to limit not only our own emissions, but to work closely with venues and other suppliers to manage the overall environmental impact. Scan to view our environmental policy and our Green Commitment for ECE 2024.

Stockholmsmässan’s Sustainability Policy
Stockholmsmässan's sustainability work is conducted based on three focus areas: Sustainable Community, Sustainable Environment and Sustainable Innovation. The Congress venue is ISO-certified for sustainability at events. Scan to view Stockholmsmässan's sustainability policy.

Scan to view the programme of industry satellite symposia, Mini satellites and ECE Hub sessions that will take place on Sunday and Monday.

Correct at time of print - 29 April 2024
Posters and ePosters
We encourage you to explore the Posters in the Exhibition Hall daily as selected posters will be showcased for one day only. Posters are assigned a specific board on Sunday 12, Monday 13, and Tuesday 14 May. There will also be a chance to engage with the presenters and ask questions during the Poster and Networking Sessions:

Sunday 12 May: 16:30–18:00
Monday 13 May: 17:20–18:30
Tuesday 14 May: 13:40–15:10 (during the lunch break)
For details of when posters will be displayed please see below.

Social Programme

**Saturday 11 May, 18:40–21:00**
**Welcome Reception**
*Victoria Hall/Exhibition Foyer*
Join us for a warm welcome to the European Congress of Endocrinology and to Stockholm. Drinks and snacks will be available with music to get you into the celebratory mood – Eurovision Song Contest Style!

**Sunday 12 May, 17:00–17:30**
**New Members’ Reception** *(by invitation only)*
*The Garden Restaurant, ground floor near main entrance, Congress Centre*
New members are invited to raise a glass in celebration of joining the society.

**Sunday 12 May, Arrival from 20:00**
**ECE 2024 Informal Networking Evening**
*Tak, Brunkebergstorg 2-4111 51 Stockholm*
This year’s informal Networking Evening takes place at Tak, a stylish Japanese fusion rooftop bar in the city centre offering panoramic views of Stockholm which can be enjoyed while you listen to music, sip your drinks and network away.
Bus transfers to Tak will commence from outside the Congress venue starting at 19:00.
This is a ticketed event: tickets are available on a first come first served basis. Please ask at the registration desk for availability.

**Monday 13 May, 17:40–18:25**
**European Women in Endocrinology (EUWIN) Drinks Reception**
*Hub 2 (Exhibition Hall)*
Catch up with fellow colleagues and hear more about EUWIN over a drink!

**Monday 13 May, 20:00 onwards**
**EYES Social Evening**
This year’s EYES get together will take place at Eatery Lumafabriken, Lumaparksvägen 7 (Hammarby Sjöstad), 120 31 Stockholm.
Please make your own way to the venue, food and drink vouchers are available on a first come first served basis on the night.
**Congress Opening Times**

- **Friday 10 May**
  - 08:00–17:00 Pre-Congress events

- **Saturday 11 May**
  - 08:30–16:00 Pre-Congress events
  - 12:00–21:00 Registration open
  - 16:00–18:40 Opening Ceremony
  - 18:40–21:00 Welcome reception in Victoria Hall/Entrance Foyer

- **Sunday 12 May**
  - 07:30–20:00

- **Monday 13 May**
  - 07:30–19:30

- **Tuesday 14 May**
  - 07:30–17:30
  - 15:15 Exhibition Hall closes
  - All posters to be removed by 15:00 CEST

---

**Programme**

The **ECE 2024 Daily Spotlights** are a great way to keep updated on what has happened during the Congress and what’s to come. These take place on Sunday and Monday morning and will be live streamed.

**PROGRAMME HIGHLIGHTS**

**PLENARY SESSIONS**

**PLENARY 1**
Hypoxia
Sir Peter Ratcliffe (UK)

**PLENARY 2**
The clinical importance of high resolution, automated, ambulatory measurement of tissue steroids
Stafford Lightman (UK)

**PLENARY 3**
The silent decline: unlocking the enigma of dropping sperm counts and fertility rates
Shanna Swan (USA)

**PLENARY 4**
From molecular biology to precision medicine in endocrine tumours: Are we there yet?
Constantine Stratakis (Greece)

**PLENARY 5**
Machine learning based data analysis in endocrinology
Michael Biehl (The Netherlands)

**PLENARY 6**
Focus on the pancreas
Patrik Rorsman (UK)

**AWARD LECTURES**

**GEOFFREY HARRIS**

**AWARD LECTURE**
Hypothalamic control of energy and glucose homeostasis
Jens C. Brüning (Germany)

**EUROPEAN JOURNAL OF ENDOCRINOLOGY AWARDS**

**CLINICAL**
From the adrenal to metabolism - lessons learnt from investigating MRAP
Li Chan (UK)

**EUROPEAN HORMONE MEDAL**
Mortality and morbidity in rare pituitary and adrenal endocrine disorders
Gudmundur Johannsson (Sweden)

**ENDOCRINE NURSE ACHIEVEMENT**
Transformation of German Endocrinology Assistants
Kathrin Zopf (Germany)

**CLINICAL ENDOCRINOLOGY JOURNAL FOUNDATION**
Early menopause: is it a different entity than premature ovarian insufficiency?
Panagiotis Anagnostis (Greece)

**JENS SANDAHL CHRISTIANSEN**

**AWARD**
BASIC SCIENCE: Median eminence oligodendrocyte plasticity regulates neuroendocrine output, energy and glucose homeostasis
Clemence Blouet (France)

**CLINICAL**
The use of sodium-glucose cotransporter type 2 inhibitors (SGLT-2i) in a particular conditions such as reactive hyperinsulinaemic hypoglycaemia following gastrectomy
Giuseppe Bellastella (Italy)

**TRANSATLANTIC ALLIANCE**
Primary aldosteronism – solutions, insights and challenges
Felix Beuschlein (Switzerland)
